Types of Families

There are two types of families :

1. Big family.
2. Small family.

Big family – The family which has five to six members or more than six members is called **big family**.

Example : Grandparents, parents, uncle, aunt, cousins, brothers , sisters etc.

Small family – The family which has three to four members is called **small family**.

Example : Parents and their children.

My brothers and sisters are called my siblings.
