SCHOOL (HIGH)

STEPPING STONE SCHOOL (HIGH)

CLASS – II

MATHEMATICS

WORKSHEET -III

Day -3

21.04.2020

Topic- Numerals

Sub-topic: Biggest and smallest number, Increasing and Decreasing order.

Time limit -30 mins

Copy the questions and solve them on a sheet of paper date wise. Keep the worksheets ready on a file to be submitted on the opening day.

1. Circle the biggest number and underline the smallest number.

678, 127, (983), 413, 561 (e.g.)

- a) 101, 100, 183, 143, 923
- b) 718, 256, 870, 302, 652
- c) 112, 121, 131, 102, 152
- d) 813, 274, 452, 979, 126

2. Write the number in increasing order. (Increasing order or ascending order means arranging from smallest to biggest number)

136, 631, 361, 613, 628

136, 361, 613, 628, 631 (e.g.)

- a) 712, 217, 117, 328, 127
- b) 416, 641, 218, 563, 304
- c) 110, 101, 121, 901, 102
- d) 583, 835, 358, 538, 317

3. Write the numbers in decreasing order. (Decreasing order or descending order means arranging the numbers from largest/ biggest one to smallest one.)

524, 383, 613, 473, 731

731, 613, 524, 473, 383 (e.g.)

- a) 814, 933, 731, 895, 900
- b) 215, 259, 374, 483, 113
- c) 100, 121, 130, 126, 133
- d) 642, 792, 308, 803, 544
