**Hello Dear Children !**

**A very good morning to you all !**

I hope you have completed your last assignment in 'Handwriting and Spelling'. Today, there's another assignment for you. But, before proceeding with your task, go through the instructions given below, thoroughly and carefully.

**\*Read the following passage aloud maintaining proper pronunciation, expression and punctuation. Take the help of your parents, wherever necessary.**

**\*Copy the passage, in cursive writing, on a sheet of paper.**

**\*Memorize the highlighted words and then write them down, on the same sheet of paper, as mentioned above, under the heading 'Spellings'.**

**\*Arrange the worksheets along with the answer sheets, datewise, in a file, ready to be submitted on the opening day of the session.**

Binya, standing in the shadows between the trees, went **unnoticed**; and for sometime she watched the picnickers, **admiring** their clothes, listening to their **unfamiliar accents**, and **gazing** rather **hungrily**

at the sight of all their food. And then her gaze came to rest on a bright blue umbrella, a frilly thing for women, which lay open on the grass beside the owner.

Now, Binya had seen umbrellas before, and her mother had a big black umbrella which nobody used anymore because the field-rats had eaten holes in it, but this was the first time, Binya had seen such a small, dainty, colourful umbrella; and she fell in love with it. The umbrella was like a flower, a great blue flower that had sprung up on the dry brown hillside.

She moved forward a few paces so that she could see the umbrella better. As she came out of the shadows into the sunlight, the picnickers saw her. "Hello, look who's here!" exclaimed the older of the two women. "A little village girl!" "Isn't she pretty?" remarked the other. "But how torn and dirty her clothes are!" It did not seem to bother them that Binya could hear and understand everything they say about her. "They are very poor in the hills", said one of the men. "Then let's give her something to eat." And the older woman beckoned to a Binya to come closer.

*And now it's time for some creative writing...!!*

**This project work carries 10 marks.**

**On a sheet of paper, first mention the date. Then, draw and colour a picture depicting your "Life in Lockdown due to Corona Virus Outbreak".**

**You can show yourself... your family...your house, your locality and the other surrounding areas in your picture.**

**Do not use sketch pens or water colours for your picture. Use either pencil colours or crayons.**

**Now, on another sheet of paper, write in a paragraph of ten sentences what you have displayed in your picture.**

**Remember to mention how this situation has affected your life, what does your locality, as well as the markets and the roads, look like now, how have you been spending your life with your family at home all these days, what new things have you tried, etc.**

*Attach both the sheets and keep them ready in a file to be submitted on the opening day.*

*Have a good day....!*

*Bye...!*
