

Dear Parents/ Students,

With all positivity, we hope that by now you have become accustomed with the online method of learning. Now that there has been some progress in the curriculum, it is time for evaluation. The assessments will begin from 10th of August 2020, continuing for 4 weeks. There will be 4 sets of examinations for each subject, 10 marks for each unit. Time allotted for each unit will be of 10 minutes duration. The assessments will be conducted using Google Forms and the link will be shared with you in the last 10 minutes of each class. The submission must be done immediately after completion. Hence it becomes imperative that high speed internet connectivity is arranged for. The break up and schedule is as outlined below.
