

### Guidelines for Conducting the Half-Yearly Examinations

Dear Parents,

5<sup>th</sup> August, 2020

Greetings to all of you.

Now that your ward has become accustomed to the online mode of learning, we will move on with the evaluation process, beginning from the 10<sup>th</sup> of August, 2020.

1. The schedule for the examinations along with the unit wise break-up is given below for your record and perusal.
2. The Half-Yearly Question Papers will be sent to the students each day as per the given schedule, at 11:00 a.m., through the school WhatsApp group,
3. The students will have to answer all the questions in their respective subject notebooks within a span of 15 minutes for each paper. The remaining papers will be followed in quick succession.
4. On a fresh page, they will write their Name, Class, Section, I.D. No., Subject and Date. This has to be kept ready before the examination begins.
5. Each page used for writing should have their ID. No. and be numbered as 1, 2, 3, ..... and so on.
6. Only the Question numbers and Answers will be written.
7. Writing time will be given till 11:45 a.m.
8. The next few minutes will require your assistance in taking images of the concerned pages, and posting it in the School WhatsApp group, bearing student's I.D. No.
9. After 12:00 p.m., the window for receiving further messages for the day will close.
10. To ensure the smooth conduction of the entire process, it becomes imperative that high speed internet connectivity is arranged for.
11. If there are any queries in this regard, the school is always there for assistance.

Your help and assistance is much anticipated and appreciated at the onset of this new system of evaluation.

Thanking you,

Stepping Stone School (High)
