

Dear Parents,

Trust you and your families are staying safe and healthy in these unprecedented times. We have been trying our level best to reach out to every student to ensure that there are no pauses in the learning process.

The school intends to start off the Assessment process and Half-yearly exams on and from 1st September, 2020. We are finding it difficult to reach out to a few students who are yet to update the School authorities with their current contact details so that they can we can regularise the examination process for everyone.

The School Management is also happy to announce a reduction in the School fees keeping in mind the current Pandemic situation and the economic crisis it has brought about. Those who have already paid the entire or a part of their fees till 31st July, 2020 will have the said amounts adjusted from their monthly fees going forward. Please feel free to drop in at the school office for any clarification or assistance regarding the same.

<u>Classes</u>	<u>Particulars</u>	<u>Amount</u>
PG to UKG	Sports & Games	Rs. 250 p.a.
I to IV	Sports & Games	Rs. 250 p.a.
V to VIII	Sports & Games Library Fee	Rs. 250 p.a. Rs. 150 p.a.
IX & X	Laboratory Fee Sports & Games Library Fee	Rs. 250 p.m. Rs. 250 p.a. Rs. 150 p.a.

The school has only received 35% of the total fees receivable till 31st July, 2020. We would request all the Parents to clear at least 80% of their child's fee falling due till 31st July, 2020 on or before 24th August, 2020. The school fees can be paid at the school office or online by logging onto www.steppingstoneschool.in

The School is actively trying to better the teaching standards by adapting to the online mode of teaching and making the experience as close as possible to the pre-pandemic times. This warrants a massive effort on the part of the Management, Teaching and Non-Teaching staff of

the school but our efforts would be incomplete without the active support of our Parents. Our sole aim is to ensure that our dear students are always at par with their educational and development needs.

We solicit your cooperation as always to help us in the smooth functioning of School's operation. **Please keep checking the school website regularly for all updates on online classes, Council/School notices and other important updates.**

Thanks and regards

By the order of the Management
