

Dear Parent,

11/02/2021

As per the notification No. 049 dated 04/02/2021 issued by Directorate of School Education, Government of West Bengal, the school is arranging for a set of Pre-Board examinations for the I.C.S.E 2021 appearing students, to commence from the 22nd of February, '21 continuing till the 5th of March '21. The remedial and reinforcement classes will be planned after the examination period.

The examination is not compulsory. But at the same time, the students are expected to appear for the same on-campus. The choice to appear for the examinations solely lies with the student and his/her family.

Only those students will be allowed to enter the Examination Hall if they submit their parent's written approval for the same. Students also should give an undertaking to strictly observe the Covid protocols without any lapses. Both students and parents must be prepared to accept the challenges on safety and health issues arising from the pandemic.

The proforma of the consent letter and student undertaking will be made available in Google Classroom. It is to be downloaded, duly filled and submitted on the very first day of offline examinations. The Pre-Board Examination time table will also be streamed there.

For the safety of the students, staff and other stakeholders, all the necessary Covid-19 precautions and measures will be taken during the period of examination.

The examination schedule and arrangements for classes 1 to 9 will remain unchanged.

We very much appreciate your steadfast support for us in our endeavours to cope up with the drastically changing situations. We also take this opportunity to thank all who have been regularly paying the school fees in this hour of crisis.

With all good wishes.

Stepping Stone School(High)
