

## NOTICE REGARDING SCHOOL RE-OPENING

Dear Parents,

In conformation with the government orders regarding school re-opening, Class IX students are being called in to attend classes in-person from 23<sup>rd</sup> November, 2021 onwards, maintaining all Covid-19 guidelines.

A blended classroom plan is being arranged for each section, where, half the number of students of the section will attend classes in-person and the remaining half will continue online. On the following day, the remaining half will report to school while the first half will stay online. Thus the process will continue.

The subject distribution and time allotted for each period will remain the same as was being followed in the complete online mode.

Please ensure that you sign the consent form and send it with the student on the first day of attendance. The school also needs assurance that the student will rigidly abide by the Do's and Don'ts as laid down below:

### DO:

1. Co-operate with school authorities at all times.
2. Come in proper school uniform.
3. Maintain safe physical distance with others.
4. Wear face mask covering nose and mouth.
5. Use personal hand sanitizer after touching any surface.
6. Maintain good respiratory hygiene.
7. Carry one's own water bottle and snacks in a lunch box.
8. Self-isolate oneself, if there are symptoms of headache, low grade fever and runny nose.
9. Immediately come to collect your ward incase they are showing any symptoms (mentioned in Point 8) while they are in school.

### DON'T:

1. Touch their face, nose or ear without hand washing or sanitizing.
2. Use Self- medication
3. Share their stationery, Water bottle, Hand Sanitizer, tiffin and other articles.
4. Avail public / crowded transport
5. Pressurise your ward to come to the school incase they are feeling under the weather.

Regards and warm wishes.  
Stepping Stone School (High)
