

STEPPING STONE SCHOOL (HIGH)
CLASS – II
ENVIRONMENTAL STUDIES
WORKSHEET-10

DATE: 29.05.2020 /Day-10

TOPIC: OUR NEIGHBOURHOOD (contd.)

TIME LIMIT: 30 minutes

Read the notes carefully and on the basis of it, copy the questions and answers following the notes on a sheet of paper date wise. Keep the work-sheet ready to be submitted in a file on the opening day and memorise them.

WE HAVE COMPLETED THE EXPLANATION OF THE TOPIC IN OUR PREVIOUS WORKSHEET. CHILDREN, HOPE YOU ALL HAVE WATCHED THE VIDEO CONTENTS PROVIDED RELATED TO THE TOPIC . NOW, LET US RECOLLECT SOME IMPORTANT POINTS :

POINTS TO BE REMEMBERED:

- **The area near or close to our house is called our neighbourhood.**
- **People who live in the neighbourhood are our neighbours.**
- **We help each other, celebrate festivals together and may share common places with them.**
- **Every neighbourhood has a park, a school, a market, a post office, a bank etc , known as public places where every people can go.**

- Emergency services like a hospital or a primary health centre, a police station, a fire station , a telephone booth etc are also found in a neighbourhood.
- We must give way to the emergency vehicles like an ambulance, a police van, a fire engine on the road so that they can reach the people faster in times of emergencies.
- Besides our family members and our neighbours, there are people around us like a farmer, a teacher, a doctor, a plumber etc who help us in our day- to- day lives.
- We cannot do everything ourselves, these people make our work easier. They are also known as community helpers.
- We should respect them and not ill-treat them or talk to them rudely.

I) QUESTIONS AND ANSWERS:

1. Who are our neighbours ?

Ans. We live with our family in an area where a number of other families live. They are called our **neighbours**. We help each other, celebrate festivals together and share things with them.

2. What is a neighbourhood market ?

Ans. A **market** is an important place in our neighbourhood with many kinds of shops. People can buy things of daily use from there.

3. **How are ATMs useful to us ?**

Ans. Now-a-days, most banks have **ATMs** (**automated teller machines**) that enable us to deposit or withdraw money easily even when the bank is closed.

4. **Why do we need a hospital in our neighbourhood ?**

Ans. A **hospital** provides us an **emergency** service in our neighbourhood. We need to go there for treatment when we fall ill or get hurt. It has doctors, nurses and facilities to treat patients and help them get well.

5. **How does a police station help us ?**

Ans. Every neighbourhood has a **police station**, where we go to report about a theft or a robbery. The police men protect us from all kinds of danger and keep our neighbourhood safe.

6. **What does a fire engine do ?**

Ans. A **fire engine** carries the firefighters along with ladders and water hoses to the site to put out fires and save people's lives.

7. **Who are known as community helpers ?**

Ans. Besides our family members and our neighbours, there are also many people around us, who help us in our day-to-day lives to make our work easy and comfortable. Like a **doctor**, a **teacher**, a **farmer**, a **mason** etc. These people are known as **community helpers**.

8. How should we behave with people who help us ?

Ans. We must respect our **helpers and be kind to them. We should not ill-treat them or talk to them rudely.**
