

STEPPING STONE SCHOOL (HIGH)

CLASS – II

MATHEMATICS

WORKSHEET –XIX

Date: 20.05.2020 (Day -19)

Topic- Problem Sums (Addition and Subtraction)

Time limit -30 minutes

Copy the questions and solve them on a sheet of paper date wise. Keep the worksheet ready in a file to be submitted on the opening day.

WORKSHEET

1. A blue basket contains **215** apples. A red basket contains **123** apples. How many more apples does the blue basket contain?

(Example)

Solution: No. of apples in the blue basket = **215**

No. of apples in the red basket = - **123**

No. of more apples in the blue basket = **092**

Answer: Thus, the blue basket contains **92** more apples.

2. A tray contains **215** vegetables. **123** of them are rotten. How many fresh vegetables are there?

3. A train carried **744** passengers on one day. The next day it carried **356** passengers. How many more passengers did the train carry on the first day?

4. Diya got **192** marks in Mathematics and Devi got **120** marks. How many more marks did Diya get?

5. Yesterday **229** trees were destroyed in a storm. Today **179** trees were destroyed. How many trees were destroyed altogether?

(Example)

$$\begin{array}{r} \text{Solution:} \quad \text{No. of trees got destroyed yesterday} \quad = \quad \mathbf{229} \\ \quad \quad \quad \text{No. of trees got destroyed today} \quad \quad \quad = \quad + \mathbf{179} \\ \hline \text{No. of trees got destroyed altogether} \quad \quad \quad = \quad \mathbf{408} \end{array}$$

Answer: Thus, **408** were destroyed altogether.

6. In a school, there are **542** girls and **387** boys. How many pupils are there in the school?

7. Lucy went to the grocery store. She bought **112** packs of cookies and **82** packs of noodles. How many packs of groceries did she buy?

8. Linda has **270** candles. Loheri has **176** candles. How many candles do they have altogether?
