

**CLASS: V**

**Subject: English**

**Date: 07/05/2020**

**Topic: Kinds of Noun**

**Time Limit: 30 Mins**

***Worksheet No. : 10***

*[Copy the questions following the notes and solve them on a sheet of paper date wise. Keep the worksheets ready in a file to be submitted on the opening day.]*

*Hello my dear children...!*

Did you study the different types of nouns and the examples given in 4th May's Worksheet no. 7 thoroughly? I hope you have learnt them too.

Before we proceed today, let's have a quick tour of recapitulation to the world of **Nouns** by watching the video content on the link given below. Try to relate the concepts you have already learnt with this video. You will also get to explore some other important concepts of Nouns here, which we will be dealing with in the coming week.

<https://youtu.be/SVyXQUeXPqo>

*I am sure that this video will help you to enhance your knowledge....*

**And now let's see how well you have understood the concepts.....**

**Pick out the nouns from the following sentences and state the kinds.**

1. Chandigarh is a beautiful place.
2. King Solomon is known for his wisdom.
3. Ornaments are made of gold and silver.
4. We saw a fleet of ships in the harbour.
5. Without health there is no happiness.
6. The choir of singers was awarded at the function.
7. Many birds fly south in the winter.
8. Suddenly, one of the wheels came off.
9. George, my uncle, is a very humorous person.
10. I love to remember the happy days of childhood.

**Closure Time Assignment :**

On a regular basis, keep revising the concepts being taught.

You can choose sentences from resources like the newspaper or story books and try to solve similar kinds of exercises. If needed, take the help of your parents.

**Wish you a knowledge-filled day ahead...!**
